Syria Energy Conference, 13–14 December 2026

A two-day conference held alongside SOG – Syria Oil & Gas, Energy Exhibition at the Damascus International Fairground, organised with the Ministry of Energy, the Syrian Petroleum Company (SPC) and SOG.

Across two afternoons (16:30 – 19:30), government, SPC and international industry leaders will discuss how to restore production, attract investment and rebuild Syria's oil, gas and power sectors. The programme opens with keynotes from the Ministry of Energy and SPC, followed by six focused panel sessions and daily networking.
